## FOREWORD

It has been our aim to record completely, in picture and in print, the events of the past year. We have centered our book around our beautiful Bidwell Park.

Many years ago, while going through Bidwell Park, a small boy exclaimed, "Why, this is Robin Hood's land!" Since then, many others have caught glimpses of the merry outlaw among our oaks.

# DEDICATION

To you, Dr. McIntire, our new principal, because we appreciate the many proofs you have given us of your interest in our student life, and because we like your enthusiastic spirit, we affectionately dedicate this 1938 Caduceus.

### OUR GUARDIAN ANGELS

SPRINGTIME . . . This is the time of year when all nature is renewing itself and rejoicing. What a gorgeous dress Mother Nature puts on in welcome to gladsome spring! California's state flower, the golden poppy, is typical of the gold in our fair state. Other wild flowers adorn the fields and roadsides profusely making the air fragrant with their presence. Colorful as our numerous flowers are, they look like rich embroidery on the thick carpet of green grass on hillside, field, plain and in garden. Trees are in their richest green leaves, and beauty is everywhere . . . Youth is blooming like the springtime and full of budding forces keen and eager to express themselves. All young people should have a worthy purpose in life and stick to it until the goal is reached. They can take example from the sturdy oak which, from a small beginning, the acorn, grows onward and upward until a rugged tree is the result. We are proud of our boys and girls with their glorious outlook in life and wish them unbounded success.

J. E. MORROW.

MR. FRANK L. CUMMINGS . . . City Superintendent of Schools and former principal of Chico High School. For eight years Mr. Cummings has worked untiringly for the public school system of Chico and especially for our own high school. To him, Caduceus expresses its gratitude. May he have much success in the forthcoming years.

### THREE YEAR OLDS

Many of the year's outstanding events were sponsored by the junior class, because the '38 juniors had the initiative to go forward and work out new ideas. The first of their successes came during the school Carnival when their Bean-O game netted some of the biggest profits of the occasion. The junior class also initiated the idea of sending for their senior rings during their junior year in order to insure them the distinction of having senior rings throughout their entire senior year. The idea proved so successful that future junior classes will no doubt follow in their footsteps. The big junior dance, which was held to raise funds for the Senior Farewell, brought in enough funds to insure an exceptionally fine farewell. The junior officers were Bob Beery, president; Charles Ludden, vice-president; Celene Anderson, secretary-treasurer; and John Carah, reporter.

### TWO YEAR OLDS

The sophomore year is the mid-point in a high school career. This is indeed the year when students should enter into all the activities of the school and derive the greatest possible benefit and pleasure from their school life. The '38 sophomores have done just that. In all our outstanding activities for the past year you will find that sophomores were well represented and assumed much of the work. The Hi-Jinks received the whole-hearted cooperation of the sophomore girls. The year's biggest event, the Chico High Carnival, found the sophomores' floor show one of the biggest hits. This was due chiefly to the interest the sophomores as a whole took in the project and to the interest they stimulated in other students with the rally which they held just before the presentation of their show. All the hosts and hostesses at the freshman reception were chosen from the sophomore class.

### TWO YEAR OLDS

This class boasts many students who have made themselves outstanding in Chico High's biggest events. Sophomore students played a definitely outstanding part in this year's operetta, in fact, it was a sophomore girl who won the coveted role of Chonita in the production. With students who take such a whole-hearted interest in school affairs while only sophomores, Chico High may build up a class which will make all school events a success because of their eagerness to support their school and to make theirs an outstanding class . . . The sophomores, prominent in school activities, sports, and studies, have a fine group of class officers back of all this. Since a class is only as good as its members and officers make it, the sophomore officers should be congratulated on their fine job. The leaders of this class are Eugene Tapie, president; George Strong, vice-president; and May Ohmura, secretary.

### ONE YEAR OLDS

Freshman classes usually have a hard struggle in order to adjust themselves to the other students and their methods of handling the beginners. Because of this, freshmen usually hold themselves apart from the other students and do not mix much in school affairs that first year. The '38 freshmen are, however, an exception to the rule, for they immediately mixed with upper classmen, took part in school affairs, and otherwise made themselves so outstanding that the upper classmen were compelled to take notice of these erstwhile insignificant lower classmen who were taking their place beside them. In social events the freshmen have been outstanding, for they have served on committees, and assisted in making a success of many of the year's biggest social events. In sports, also, the freshman boys and girls alike have entered enthusiastically into all the games.

### ONE YEAR OLDS

The schools of today need more classes like this year's freshmen. Everyone knows it is not the school which makes itself, but those students in the school who are forever striving, whether in work or play, to make it a better school: not for themselves alone, but for those students who will come after them . . . Students are beginning more and more to realize the value and importance of school, and to realize the benefit gained from fine school spirit. Without such, school is a dead weight on the students, for that feeling of friendly companionship is absent, and the students take no interest in their work or their school . . . However, with such enthusiastic youngsters as our present freshmen, Chico High is bound to come out on top. The admiration and honors from those who truly appreciate loyalty and spirit in a school, is all we need.

Robin Hood is here again; all his merry thieves Hear a ghostly bugle-note shivering through the leaves.

## ABLE LEADERS

Most students realize that our Student Body Council is the very pulse of school activities. It is the hub around which the school life revolves . . . Our spring and fall Councils have been the busiest of any for some time. Theirs has been the duty of forming and working successfully under a new constitution. The fall Council's biggest and most important project was the framing of a new constitution and they did their job well. The new constitution is a modern, efficient, and workable set of laws under which our Student Body is to function . . Our spring Council, the first to come in under the new constitution, proved the success and efficiency of the document. Under it they carried out their work effectively, and it was the spring Council which was responsible for our Carnival, the biggest and most successful event of the school year. It was the influence and the backing of the Student Body Council which made the Carnival such a successful affair . . . Because of their work in making the school a better place for both work and play, we say to our two Councils. "Thanks a million for the grand, unselfish work you have done."

#### **NEWS GATHERERS**

"One big happy family" aptly describes the fall Red and Gold staff, who began the season by selling subscriptions for Red and Gold. Maxine Hartt, first editor, resigned to become editor of this Caduceus. Virginia Stoddard then did fine work as editor, with Marietta Cook assistant. Staff members included: Stanley Bibbero and Phyllis Snow, sports; Margie Kinser, features; Betty Marriott, exchanges, clubs, and classes: Bessie Christensen, socials, and with Beverley von Schierenbeck, humor; Maxine Hartt and Muriel Keely, reporters: Leonard Richert and James Broyles, business managers.

The spring Red and Gold staff "went modernistic" by streamlining the paper, deviating from previous form. Bob Burke was editor, with Evelyn Dixon as his able assistant. Mary Post was feature editor; Mary Helen Erwin, humor; Bobbe Bowler, socials;, Jewel Hackney, exchanges; Harry Clough and Jean Acker, sports; Letitia Moerke, Jean Brattan, Dolores Wheeler, Ruth Gray, Rayna Tochterman, Helen Giles, and Marie Reusser, reporters; Walter Thompson and James Broyles, business managers: Marion Wiley, circulation manager.

# CARRYING ON

This year the Caduceus staff has endeavored to make the book a worthwhile chronicle in picture and print of our school year and to make it pleasing to you, our subscribers. Plans for the Caduceus were started last September, and the staff has worked continually and enthusiastically throughout the year to carry them out. In selecting the idea of Bidwell Park as Sherwood Forest we have kept in mind the thought of pleasing you. We hope you will enjoy the book as much as we have enjoyed putting it out . . . The sales of Caduceus this year were especially good, with more books sold than last year. Quoting Red and Gold: "It was the swiftest, snappiest campaign Caduceus has ever held." Among the salesmen, Frank Flores made a record in Caduceus sales by selling 119 books . . . Many "thank you's" are due our loyal Boosters, without whose support and interest this book would have been impossible. We appreciate your financial backing. And many thanks to Mr. Staples for your time and help, to Mr. Broyles and Mr. Camper for all your patience and cooperation, and also to Mr. Smith, our engraver, and all others who have worked with us, including Mrs. P. M. Barceloux, who substituted in Miss Currie's absence. Miss Currie, we thank you for your guidance and patience . . . The '38 staff and their positions are as follows: Maxine Hartt, editor: Marietta Cook, assistant editor: Douglas Conger, art editor: Betty Marriott, music, drama, and publications: Jean Acker. clubs: Fred Pfeiffer, boys' sports: Phyllis Snow, girls' sports: Margie Kinser, calendar and will; Virginia Stoddard, feature editor; Burton Quiggle, snaps; Joe Wadlington, business manager; Jack Sweeney, James Broyles. Betty Marriott, Jane Gorrill, assistants; Dorothy Patocka, typist; Miss Currie, adviser to publications; Miss Stansbury, art adviser . . . Since 1904, when Caduceus was first published, it has remained a yearbook among yearbooks. The staff hopes this Caduceus, the thirty-fourth annual published by the students of Chico High School, will take its place among the other thirty-three.

#### SCHOLARSHIP FOR SERVICE

The California Scholarship Federation is a state-wide organization which has as its ideal the maintenance of high scholastic standing in the high schools of California. To obtain membership in this organization a total of 10 points must be made in grades, with a passing mark in physical education. In the fall 20 new members were initiated, and in the spring, 22 were admitted. The present membership of the society is 68. Meetings were held every month. The two big socials were a Christmas party, held at the home of Betty Barmann, and the annual spring party, held in May. A very entertaining concession called "Sherwood Shoot" was sponsored by the society at the Student Body Carnival. Four delegates from Chico were sent to the annual C. S. F. convention, held at Santa Rosa this year. The fall semester officers were: president, Isabel Roper: vice-president, Norma Orrell: secretary, Dorothy Schell: custodian, Eugene Tapie. The spring semester officers were: president, Virginia Stoddard: vice-president, Paul Berger: secretary, May Ohmura: custodian, Joy McMillan. Miss Burr is adviser.

## SERVE OUR SCHOOL

The girls in the S. O. S. Club, whose motto is "Serve Our School," have done fine work this year. In their work for the school and teachers, they assisted at the P. T. A. convention, took care of registration for Teachers' Institute, substituted for teachers, took care of the bulletin board, cleaned and labeled trophies in the trophy case, and ushered for the Music Festival . . . The girls have not lacked enthusiasm in their social affairs either. They had a very enjoyable bicycle ride and picnic at the Five Mile Dam and a formal dinner in the spring. The Student Body Carnival was well represented by the S. O. S. girls. They had one of the most entertaining concessions at the Carnival, called the "Pumpador." They also had a dart booth and rode bicycles in the parade before the Carnival to advertise their concession . . . Two initiations and installations of officers were held this year. The officers for the fall semester were: president, La Vern Nold; vice-president, Dorothy Patocka; secretary-treasurer, Helen Snow. The officers for the spring semester were: president, Dorothy Morehead; vicepresident, Leila Bennett; secretary-treasurer, Charlotte Button. Miss Bornefeld is the club's adviser.

# AMBITIOUS FUTURE FARMERS

Members of the Future Farmers of America, whose ideal is to learn more about farming, participated in many activities this year. Their most important activity was the fine work they accomplished during the year with their stock which they entered in a number of livestock shows. They attended the Glenn County Fair, where they had 15 entries, and the Butte County Fair, where they had 51 entries. They also took trips to San Francisco to show some of their stock. Each member must have a project in which he raises stock, and this year loans were obtained to help members buy stock for their projects. The Future Farmers have also had social affairs this year. They held their annual Barn Dance, which is always very successful and always brings out a big crowd. A spring picnic and a snow party also added to their enjoyment. At the Student Body Carnival they had two booths, a duck pond and a shooting gallery, which were very popular. The fall semester officers were: president, Richard Knight; vice-president, S. Smith; secretary, Clifford Beatty; reporter, Harold Johanson. The spring officers were: president, Jack Gillum; vice-president, Camon Wilson; secretary, Eddie Fierro; reporter, Richard Knight. Mr. Filson is the adviser.

The Hi-Y girls accomplished and enjoyed many successful activities this year. Thanksgiving baskets were given to many needy families and a Christmas party was held for poor children. Cake sales were held to raise money to help send girls to the Older Girls' Conference at Richardson Springs. These activities all came under their motto "others" . . . Barbara Ludden was the fall semester president and Dorothy Patocka was president for the spring semester. Miss Cooper is the Hi-Y adviser.

Members of the Debating Club have gone far to further the interest of debating in Chico High, and to learn the principles of debate. At their meetings they discussed and debated on many interesting subjects. Most of the time was devoted to the question—Resolved: that the several states should adopt a unicameral system of legislation. The officers for the year were: president, Roy Andreen; vice-president, John McDonough; secretary, Hazel Hall, first semester and Merrelin Hurst, second semester; treasurer, Oren Bales.

# RESOURCEFUL MAIDS

The Home Economics girls have not lacked enthusiasm this year. They have enjoyed many delightful and interesting activities during both semesters. They held their annual Hallowe'en dance, Easter egg hunt for the children, and Block "C"-Home Economics picnic, all of which proved very successful. Also many types of dinners, including their annual Mother and Daughters banquet and a Christmas party, were given by the girls . . . Their annual Spring Conference, which brought representatives from 17 different Northern California high schools, was held in Chico this year, with the Chico girls in charge. At this conference the girls won recognition for the highest rating of any of the clubs. Many interesting speakers talked at their monthly meetings . . . Two big booths, in which candy, ice cream, soda pop, and hot dogs were sold, were sponsored by the girls at the Student Body Carnival . . . Two initiations were held during the year. The present membership of the club is 37, making it one of the largest clubs in the school. The officers for the full year were: president, Perle Ludy; vice-president, Wilma Pettersen; secretary, Pat Penne; historian, Celene Anderson; point-recorder, Nadine Abbott; reporter, Mary Post; Mrs. Madsen, adviser.

L. officers for 1938 were: Janet Costar, president; Barbara Ludden, vice-president; Dorothy Morehead, secretary; and Jewel Hackney, treasurer. Unlike the previous Senior Teas given by the G. S. L., this year's tea was given for the G. S. L. by Mrs. E. L. Adams and Mrs. Lloyd Costar, who generously volunteered to take over the entire responsibility for the occasion.

The governing body of the various classes now consists of the officers chosen by the classes. The senior officers for this school year are: Keith West, president; Jeanne Orendorff, vice-president; Pete Murphy, secretary. Junior officers include: Bob Beery, president; Charles Ludden, vice-president; Celene Anderson, secretary; John Carah, reporter. Leaders of the sophomore class include: Eugene Tapie, president: George Strong, vice-president; Mae Ohmura, secretary; George Fish, treasurer. Freshman class officers are: Sheldon Witt, president: Bradford Curtis, vice-president; Herbert Berry, secretary.

## IN THE LIMELIGHT

"Meet the Duchess," a hilarious comedy by James Reach, was the first dramatic performance of the season. It was presented in the Little Theater soon after the stage had been remodeled by the stagecraft and dramatics classes. Several of the pictures across the page depict scenes from this delightful play. Joe Wadlington was a great (?) Shakespearean actor, who was very fond of Mary Helen Erwin and her money. She ran an "exclusive" Hollywood boarding house, where the play took place. Merrelin Hurst was the "forgotten actress" and mother of the "Duchess," Carmelita Girdler, of Hogwash, Iowa. Dolores Dugger played the "talented" child of Ardath Alexander. Burton Quiggle, a scenario writer, and Carmelita furnished one love interest while the sophisticated girl, Pauline Farmer, and the Harvard professor, Harvey Marcher, furnished another. Oren Bales played the head of a motion picture company and Velma Parkinson was the colored maid . . . "Just What They Wanted" and "More Blessed" were the Christmas plays. "At the Zoo" and "Her First Biscuits" were given for a P. T. A. meeting, and "Via the Air Shaft" was presented at the March meeting. "The Villain Still Pursued Her," "Nothing But the Truth," and "Her First Biscuits" were given at the President's Ball. "The Thimble Theater" represented the drama department at the Carnival, presenting a series of skits. "Chonita" was a combined production of the music and drama departments, directed by Miss Lucille Cooper, assisted by Mr. Branch as production manager . . . "Anne of Green Gables," the senior play, was the big production of the year, well presented, and the greatest success of all. Jane Gorrill did superb acting as Anne, the imaginative little orphan. Mary Helen Erwin and Joe Wadlington played convincing roles as the stern sister and sympathetic brother who adopted Anne. Burton Quiggle was Anne's enemy until nearly the last, when they became lovers. Dorothy Mann's daughter, Carmelita Girdler, was Anne's bosom friend, while Margaret Williams was the despisable schoolmate. The village gossip was portrayed by Ardath Alexander. Keith West made an excellent characterization of Anne's rich uncle, who finds her in the last act. Betty Marriott was the kindly orphanage superintendent, with Norma Orrell as her sour assistant. Marilyn Deter made a hit as the lady who "had the awfullest pain whenever she tried to say a few words." The part of the minister's wife was taken by Merrelin Hurst. Gene Berryhill played the farm boy . . . "Aunt Tillie Goes to Town," a threeact farce presented by the advanced dramatics class, proved to be a fitting vehicle with which to complete a most successful year. The two Aunt Tillies were well played by Irene Marcus and Alice Lovin. Others taking part were Marian Morrow, Willis Gakle, Gene Berryhill, Wanda Hollingsworth, Elaine West, Margaret Williams, Roy Andreen, Merle Pierce, and Barbara Ludden . . . All in all, the critics have acclaimed the high school productions as worthy of support by the students and friends of the school.

### MASTER MUSICIANS

Mr. Olker directed the orchestra of 40 pieces through another fine season. The year was opened by playing for the P. T. A. card party. The orchestra assisted in many assemblies and played an important part in the operetta "Chonita." Its two numbers for the annual Music Festival were "Gypsy Trail Overture," by Wilson, and "Wedding Ring Overture," by Barnard. The orchestra played before and between acts of the senior play, "Anne of Green Gables" . . . Part of the orchestra played for the operetta "Chonita." This fine production was directed by Miss Lucille Cooper with Mr. Branch in charge of dramatics, Miss Crain directing dances, and Miss Stansbury in charge of stagecraft. William Byerly was a gypsy chieftain, and Mary Hays was his lovely daughter. Her nurse was played by Eva Hann. Mary's lover was Willis Gakle, the gypsy minstrel. Willis' rival was Paul Berger, the son of a baron and baroness, John Rinn and Elaine West. The servant was played by Gene Berryhill. May Ohmura was a gypsy dancer, and the accompanists were Norma Orrell and LaVerne Jenne. The "Ninettes" and Boys' Octette entertained between acts. Taking all into consideration, "Chonita" was a huge success and a credit to the school.

#### MAKING MELODY

The band, under the capable direction of Mr. Olker, engaged in more than the usual number of activities this year. The band, consisting of about 85 pieces, opened a successful year by playing for the County Fair and Fiesta at Orland. This was closely followed by a performance at the Paradise Apple Show. They played at most of the football games held in Chico and journeyed to Marysville to perform at the game there. They also played at the High School Carnival and marched in the parade advertising it. The most momentous occasion was the arrival of the new uniforms. Their debut was made for Caduceus pictures and the Music Festival. The band received praise at the annual Music Festival April 23. for playing "Alhambra Festival," by Pinelli, and "Debonnaire Overture," by Leidson. They also marched in the parade with the other bands present at the Festival. For Education Week, April 25 to May 2, the band gave a concert at the City Plaza. Later in the year they presented four concerts in the Plaza. As usual they marched in the Memorial Day parade, thus climaxing another year.

#### TUNEFUL CHOIR

A new musical group organized this year by Miss Lucille Cooper, was the A Cappella Choir, a class of advanced vocal students which grew from a membership of 45 the first semester to 75 the second semester. They made numerous public appearances, some of which were at the Rotary Club, at plays put on by the drama classes including "Meet the Duchess," and at student body assemblies. They sang Christmas carols at the hospitals and then joined the glee clubs in caroling about Chico. All the leads in the operetta "Chonita" were chosen from this group. The remainder of the choir were in the gypsy chorus. The A Cappella Choir was the largest mixed group to sing at the Music Festival where they received an "A" rating on both their numbers, "Drink to Me Only with Thine Eyes" and "The Peasant and His Oxen." The final appearance of the choir at Baccalaureate closed a very successful year for this fine new group. Next year promises to be even bigger and better. Thanks are due to Miss Cooper for her ingenuity and hard work in organizing the group.

#### FESTIVE HARMONIES

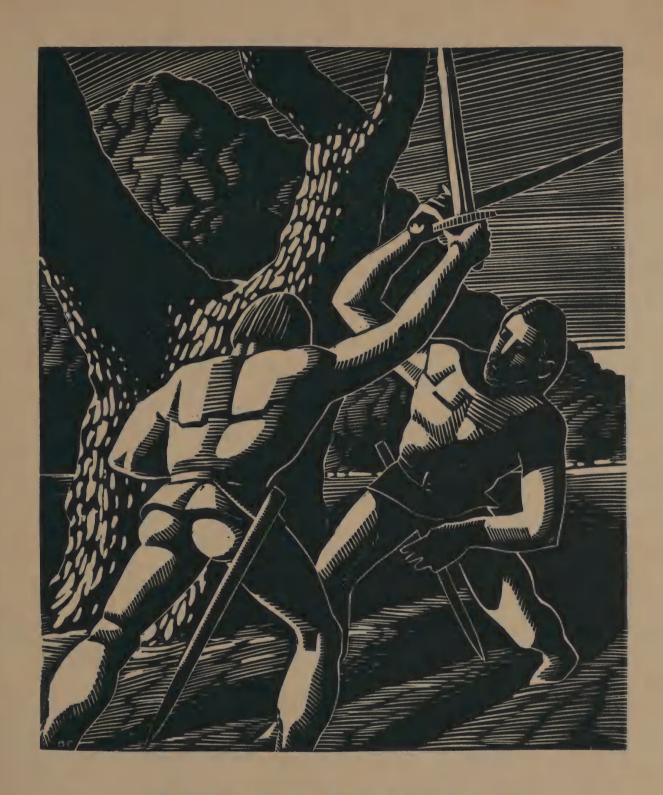

The Boys' Glee Club of 25 members this year, although small, has done some fine work and promises to develop more next year. In the operetta all the boys took part in the gypsy chorus at the Music Festival and sang "The Builder" and "The Gypsy Trail"... The boys' octette, chosen from boys' glee, consisting of James Luckinbill, Willis Gakle, John Rinn, John McDonough, Ira Hume, Bill Byerly, Manuel Timmons, and Charles Brockman, sang between acts of "Chonita."

The Girls' Glee Club, with a membership of 75 this year, was open to all girls in school. They sang for the Christmas plays and for the Christmas assembly program. The ballroom dancers in "Chonita" were chosen from the girls glee, and the entire group was in the choruses. They also sang at the Music Festival.

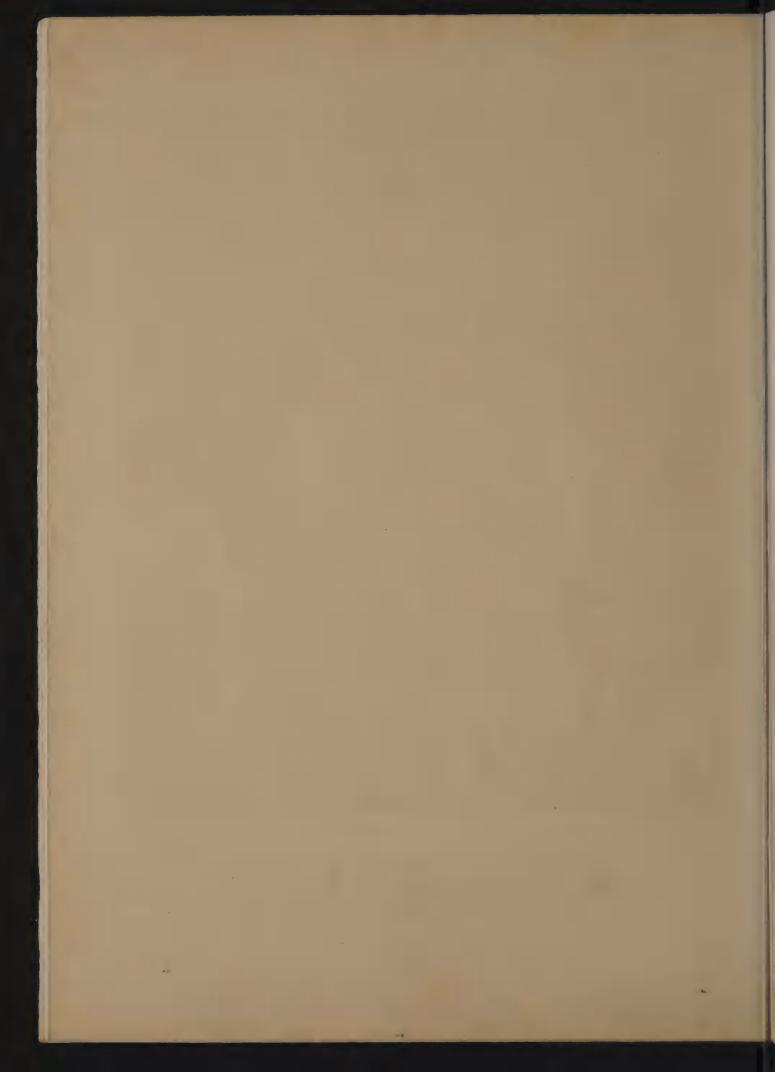

... "The Ninettes" were nine selected girls who sang for numerous service clubs and programs.

ATHLETICS

#### OUR MASTER MINDS

Our success in the athletic world this year was due to the untiring work of our coaches. It has been through their efforts that our school stands out as one of the foremost competitors in northern California. Our football and basketball teams surpassed all expectations and won their league championship without a single league defeat. The track team came through again this year and won the championship. Coach Tommy Costar again turned out a championship team in track. It is through Tommy's tireless efforts that Chico High has won the championship for the last three years . . . In football, Lloyd "Maddy" Madsen built a strong aggregation of gridders by his ceaseless and painstaking efforts . . . Ralph Hensley, our small and dynamic basketball coach, turned out the best basketball team in the school's history. As this is only the second year that our school has revived the sport, this is a marvelous record in itself . . . The lightweights tagged along with their big brothers and had a fairly good season. The "B" football team was ably coached by Don Smith. Most of the boys were very green from lack of experience, but his efforts have laid the foundation for future championship teams . . . The baseball team got off to a poor start by losing their first three league games but were gradually improving at the end of the season. The players gained a great deal of experience, so that a successful season is expected next year . . . Tennis had a very good season, considering the lack of experience of the players. As there was only one man returning from last year's squad, the team had to be built around this one veteran . . . At the close of this athletic year we can truthfully say that a great deal has been accomplished. Our athletes stood out as being sportsmen as well as being champions. They didn't know the meaning of the word "quit" and with the excellent training of our coaches will develop into better college stars. The training that the students get out of athletics will be carried on into life. Next year's teams should be stand-outs considering the foundation that has been laid this year . . . The teams need the cooperation of the students, and this year they have shown great spirit, which is half the battle.

COACHES—Top to bottom: L. Costar, L. Madsen, R. Hensley, D. Smith.

# PIGSKIN CHAMPIONS

Coach "Maddy" Madsen led the Golden Panthers to the N. C. H. S. A. L. championship without a league defeat. The Panthers were one of the strongest teams in the school's history, scoring 134 points to their opponents' 40. The league season opened with a smashing 38 to 0 victory over Redding. The following week the varsity encountered a stubborn and fighting Marysville eleven, but came out victorious 6 to 0. Another hard contest was the Yuba City game, played on a rain-soaked field and won to the tune of 12 to 8. The highly touted Red Bluff team came to Chico and was sent home with a 7 to 0 defeat. Climaxing with an 18 to 0 defeat over our ancient rivals, Oroville, the Panther varsity ended a successful football season . . . The Panther varsity included: Ends— Ray Morrison, great pass receiver; Jim Thompson, to be heard from later; Harold Pentico, defensive end and great offensive half. Tackles-Bill Kemp, a real All-Conference man; Corwin Geise, a team player; Rex Holmgren, always reliable when eligible: Willie Yalow, good things come in big packages. Guards-Orville Rist, defensive star; Captain Elgin Sitton, line bucker supreme; Kenny Favilla, only a sophomore, but hard to move. Centers-Ray Lobdell, small but mighty; Clinton Caywood, liked the going tough. Quarterbacks-Bert Dutton, a steady player: Jack Shaver, small but reliable. Halfbacks-Phil Pennick, most valuable man; Jack Broyles, a real "money" player; Lloyd Cramer, a fighter. Fullbacks-Frank Flores, small, but a triple threat; Fred Pfeiffer, a good passer . . . This year the second "A" football team coached by Ralph Hensley, won three games and dropped four, finishing third in their league.

"A" TEAM—Back row: Fish, Tetreau, Watson, Kutz, Turner, Gilbert, Pfeffer, Pregge, Meinberg, Booze, Simmons, Kirker, Hume, Lyons. ### CHAMPION HOOPSTERS

Under the skillful coaching of Ralph Hensley the Chico High School Varsity basketball team swept the league and won the first basketball championship in the school's history. As this is only the second year that the school has revived the sport, the team made a marvelous record by winning the championship without a single league defeat. The outstanding players on the team were Ralph Flores, Ray Morrison, and Frank Flores. It was not only the ability of these players but each member of the team helped win the championship. Some of the more important games and their scores are as follows: Chico 25, Marysville 12; Chico 22, Yuba City 21; Chico 24, Oroville 19. The varsity was composed of the following players: Ralph Flores, most consistent scorer: Ray Morrison, all around player; Frank Flores, fast and tricky; Russell Morrison, a money player; Wayne Booze, a real guard: Fred Pfeiffer, dependable; John Romero, next year's star; Jack Shaver, small but mighty; Bob Maddox, will be heard from later . . . The "B" team after a poor start made a game comeback and took fourth in their league. It lost several thrilling and heartbreaking contests by the margin of one or two points. In Dick Shears, Tony Winn, and Cliff Beatty were found potentialities for next year's varsity. Players on the "B" team were: Ellis Hamilton, Harold Lee, Martin Hall, guards; Cliff Beatty, Clyde Patocka, centers; Dick Shears, Tony Winn, Bill Oser, forwards . . . The "C" team, the best of the smaller teams, took second in its league. Bob Lang and Dick Johnson were the outstanding players . . . The "D" team, or the Midgets, took third in their league. Herbert Walker and Herbert Beery were the deadeyes.

### CINDER CHASERS

Unlimited Track . . . Building his team out of mostly limited men and green material, Coach Tommy Costar built up a strong unlimited squad, which won the N. C. H. S. A. L. championship for the second year in succession. Led by the sensational sprinting of Kenneth Seaman, the team swept all opposition before them. Seaman, a made-over distance man, developed into the find of the year. running the 100 in 10:1 and the 220 in 22:8. At the beginning of the season the squad was handicapped by injuries and illness, but came through in fine style. Jimmie Lee, ace sprinter, pulled a muscle and was able to compete in only two meets. Captain Tony Aguiar, star miler, was ill for several weeks with the flu, but finally rounded into shape and won the mile in the finals. The finals, May 14, was one of the closest meets of the year. All of Chico's men came through and scored several upsets. Pete Murphy's tie for first in the high jump and Frank Eaton's second in the broad jump were unexpected places and greatly helped the team's total. The score before the running of the relay found Chico leading by one point over Shasta. The team of Keston Smith, Clark Duensing, Fred Rabo. and Kenneth Seaman came through in sensational style to nip the Shasta team at the tape and win the coveted championship. Other members of the championship team were: 440—Frank Flores; 880—Ralph Flores, Charles Brockman, Bill Bellwood; mile—Arlie Bedford, Ed Scott; hurdles—Jim Thompson, Ralph Whitaker, George Fish; pole vault—Bill Mohler; football throw—Sam Wilson, Lloyd Cramer; shot put-Bill Kemp, Don Hoffman . . . Limited Track . . . With only two veterans returning from last year's squad, Coach Tommy Costar had to develop a team mainly out of freshmen and sophomores. The team took second in the semi-finals at Orland, but took fifth in the N. C. H. S. A. L. finals. Many potential stars were discovered and after another year's seasoning should develop into the best track talent in the school's history. The team was led by Captain Bob Dixon, veteran broad jumper, who also ran on the relay team. Sam Kinoshita was the squad's ace pole vaulter and hurdler: George Strong and Jimmie McLain are counted on to be the mainstays of next year's team, while Hilario Rocha is expected to develop into a big-time distance man. April 2, the limited team ran away with a five-cornered meet on the local oval. Scores stood: Chico  $81\frac{1}{2}$ , Oroville  $19\frac{1}{2}$ , Corning 16, Orland 15, and Hamilton City 5. Other members were: 100-Sheldon Witt; 660-Phil Mattos, Ed Simmons; hurdles—Ray Hecock, Ed Lewis: pole vault—Norman Kelly: shot—Ellis Hamilton; relay-J. Tazuk, Bob Dixon, Jim McLain, Earl Watson, Sheldon Witt.

## BATS AND RACKETS

Baseball . . . Coach Jerry Colma had a team that was good as individuals but couldn't seem to click as a working combination. The team lost its first three league games, but came back strong to nip Yuba City in one of the best games of the season. Through the efforts and timely hitting of Captain Harold Pentico, the outstanding slugger of the season, Chico was able to stay in the running. The infield was composed of Ray Morrison, ace first sacker: Bud Booze, second base: Bob Alldredge, shortstop: and Carroll Sisk, third base. Lester Hardy and Bennie Farmer were the "chuckers." In the outfield there were: Jack Shaver, Clinton Caywood, and Gene Edgar. The utility players were Martin Hall, Norman O'Neill, and Henry Sigel.

Tennis . . . Winning all seven of the matches played, the Chico High netmen opened their season with a smashing victory over Orland. Bob Rawlins, ace netman, was the standout of this year's team. Bob won the semi-final matches in singles and was the main competitor in the finals. Dick Gerhardt was number two man on the team and was also matched with Rawlins in the doubles. Bill Mohler, Joe Brattan, and Sam Kinoshita completed the squad. Next year there will be several veterans returning, around which a successful team can be built.

BLOCK "C"—Back row: Kemp. Wilson, Kinoshita, Booze. Third row: Thompson, Wilson, R. Flores. Ray Morrison, Broyles. Second row: Russel Morrison, Sisk Romero, Geise, Pfeiffer, Smith. Front row: F. Flores, Pentico, O'Neil, Lobdell, Burt Dutton.

## BLOCK "C"

The Block "C" is the honorary boys' service club of Chico High and has done much this year to further benefit the school. The annual Jazz Party was held in January and was a financial success. Proceeds from this event were used for paying for doctor bills and medical supplies . . . Under the able direction of John Romero, the Block "C" sponsored the best concession at the Carnival. It took in over \$150 and all of the proceeds were turned over to the Student Body. Panther Prowl Day, another annual event inaugurated by the Block "C," was taken over by the Student Body this year. This is one day when teachers as well as students have a good time. The Block "C" picnic was held at the end of the semester . . . The foregoing events are the major accomplishments. The club has rendered great services in performing duties for the school. It is the aim of the Block "C" to benefit and improve Chico High as well as help promote all Student Body functions. The officers for the fall semester were: president, Fred Pfeiffer: vice-president, Harold Pentico; secretary, Ray Morrison; sergeant-atarms, Corwin Geise. For the spring semester the officers were: president, Frank Flores; vice-president, Corwin Geise; secretary, Bert Dutton; sergeant-at-arms, Bill Kemp.

# INTRODUCING GIRLS' SPORTS

At the time of its founding in 1927 the G. A. A. held playdays to which more than twenty schools were invited. These were elaborately planned with natural dancing and tumbling acts worthy of careful notice. However, these huge playdays were found to be too awkward to handle; it was difficult to become really acquainted with the out-of-town girls. Therefore, the school tried holding smaller playdays each year, and this proved to be much more successful. This year the Girls' Athletic Council planned and put over a sport day that was as successful as any seen in many a year. This success was due to the whole-hearted cooperation of all those who attended. A volleyball-basketball sportday was held in March, with eleven schools attending. The sport-day is a new version of the old playday and was attempted merely as an experiment. It proved to be so successful as to be the model of future sportdays. Instead of having one town play against another, color teams competed. Each town brought as many complete teams as possible. Then every team was given a color. Each color team played against a team of another color. Out of all the games played the color team winning the most games received the laurel wreaths. Since there was at least one team from each town in every color group, no one town could be declared winner. In that way there were no grudges held against the winning team . . . The G. A. A. sponsored a bowling alley at the Student Body Carnival. It proved to be one of the best liked and most profitable concessions there. Bowlers were given three tries to knock down the pins; if they succeeded, they were given a piece of pie . . . For the first time in a number of years a tennis club was formed under the leadership of Wilma Petterson, tennis manager. The requirements of the club are few, a knowledge of tennis, and an active interest in it. There are about fifteen girls enrolled. They have to practice at least six hours a month outside of school to remain in the organization. Tennis Club believes in interscholastic tennis for girls and has already played several matches with other towns. The rest of the members have that to look forward to and to spur them on to better work . . . Competition in after-school sports is entirely between two clubs, the Dianas and the Albatrosses. These two clubs compete in friendly rivalry to determine who will win the most sports and be awarded the G. A. A. cup. The winning club's name is then engraved on the cup. In the center of the picture on the opposite page is the Albatross leader, Perle Ludy, holding the cup that goes to her club this year. The Albatrosses have worked hard to make up for their defeat last year and really deserve the cup. Definite proof of their determination is the fact that they won almost every sport and tied in hockey. Since 1931 the Albatrosses have won the cup four times to the Dianas' twice. This year will see their name again engraved on the cup that stands for the best in good sportsmanship and for all the other fine qualities which are shown in our school today.

# DIANA VS. ALBATROSS

The Girls' Athletic Council has been especially active this year under the leadership of President Iona Rollins. They took on the tremendous job of revising the constitution, and after this was done, it was found that the test given to incoming members must also be revised. Accordingly, a committee drew up a complete test covering the more important parts of the constitution. A new minor sports manager was added to the council to take care of the minor activities and to plan all hikes and bicycle rides in which the whole organization participated. Members of this year's council were Iona Rollins, Jean Acker, Phyllis Snow, Kathleen Zundel, Eldred Skelly, Maxine Hartt, Charlotte Button, Alice Sciligo, Kathleen Wright, Perle Ludy, Anna Bach, Verzilla Rollins, Martha Boydstun, Marian Lobdell, Helen Snow, Wilma Petterson, and Theda Giles . . . In the top left-hand corner of the picture above, the Girls' Block "C" let the world know they have really earned their Block. The group increased from thirteen last year to seventeen. The girls are: P. Snow, E. Skelly, B. von Schierenbeck, J. Landrum, A. Boydstun, R. Gray, H. Snow, P. Ludy, A. Lovin, C. Button, J. Strachan, J. Bettencourt, I. Rollins, J. Acker, M. Berry, B. Heinrichs, A. Winters.

#### FRIENDLY RIVALRY

What's this we see? Our beloved P. E. teachers enthroned at the top of the page. And they deserve to be, too. There too is Mary Post, headed straight for a basket if something doesn't happen in the meantime. We bet she made it. Want to take it up? Something's missing in this toss-up. Oh, yes, the ball. However, Marilyn Zucca and Jean McMillan are looking for it, so we don't need to worry. Wonder whom Ray Lucas is tipping the ball up to? Maybe that shadow is the one? Theda Giles evidently doesn't trust the server, Dolores McSparrin; she seems to think the ball will hit her. Betty Barmann seems to be putting her all into that kick. And her all is plenty too! Alice Sciligo seems to be quite a badminton player if we are to judge by the picture of her. Oh, oh, better look out there! Theda Giles and Bettye Armstrong are going to collide trying to reach that quoit. Good rally, Kathleen, and that smash of yours is really something, Dorothy. The way the two pitchers are starting out they'll probably be strikes. Let's hope so anyway. Marjorie, don't you think you should shoot at the target instead of us? Right above is Kathleen Wright, Diana leader, holding the cup that the Dianas are determined to win next year. They tried but weren't quite good enough to defeat the Albatrosses and keep the cup this year. Better luck next time!

## SNAP!

Let's start in the upper left hand corner where James Luckinbill seems to be having quite a time trying to find a comfortable spot on that fire hydrant . . . And what have we here? The Easter Parade? Oh I see, it's some of the P. E. girls decked out for an assembly . . . Don't be impatient Patty, he'll come. Or are you looking for Enoch? . . . Now Vivien, is that nice? Look how all the other girls posed for us. . . . Here you see the usual bunch of boys waiting for the bell to ring. Johnny Wilson seems to have their attention. He's probably trying to borrow a nickel . . . It's getting to be a habit I see. There's Willis serenading Mary again . . . The Ninettes are next; that is, what there are of them . . . The three standing are the "Chonita" leads, Willis, Mary, and Bill (notice the Colgate smile) . . . Joe Wadlington must have been pretty violent when it took two to hold him down . . . Carmelita seems to be getting a lot of pleasure out of receiving a thousand dollars from Mr. Bevins . . . Maxine Hartt, Virginia Stoddard, and Marietta Cook seem to be having lots of fun haunting that building at the Stanford Press Convention . . . Yes Connie, Georgie's coming . . . The Campbells are coming! Aren't they just too coyish for words? . . . Oops! The water's cold I betcha . . . If you didn't see Carmelita and Hazel do the "Big Apple" at the Carnival, you missed something . . . By all appearances, that must be Mr. Maxwell's model student . . . Some swingsters at one of our noon dances . . . Never let it be said that Jane Bicknell has a one-track mind . . . Lastly, we have the 1938 version of the "Thinker" . . .

Page Seventy-one

#### Page Seventy-two

## CLICK!

In the upper left you see one of the successful fall noon dances in the gym. Notice the boys' stag line and the girls dancing together. The boys must be bashful . . . For the girls!! To the right you see that enchanting profile of John McDonough D.B. dec . . . Superintendent Cummings is having a gay time at the shooting gallery at our very successful Student Body Carnival . . . Here are five very lovely girls. Like to have you meet them. From left to right they are: "Butch" Tochterman, "Spike" Acker, "Nick De Popolus" Hartt, "Dopey" Ludden, and "Lefty" Tatum . . . Mr. Van Matre is looking for Ray as usual or maybe it's Enoch this time . . . Next we see a worm's eye view of the front entrance . . . Dr. McIntire is here with two of his big attractions. Maybe this was the day he presented them at assembly . . . There's Murray Iloff in the chem. lab mixing up a new kind of salad dressing! Incidentally, this photograph won first place in the snapshot contest because of its unusual lighting effect . . . Just to the right is a goodly portion of the boys' octette. They are: Bill Byerly, John McDonough, Charles Brockman, Willis Gakle, and James Luckinbill . . . Here is good proof of the success of the Block "C's" Chamber of Horrors at the Carnival. The barker in the multi-colored pants is Johnny Romero . . . The crowd around the old Block "C" stand hasn't found the same accommodations at the new stand (I mean the ringside seats) . . . Tommy Enloe and Stan Staples enjoying each other . . . The taxi dance at the Carnival showed good receipts. See who Jack Sweeney is dancing with. Cora must have gone home . . .

## ALL DONE!

There's Mr. Smith deciding where he parked his car. He seems to be plenty worried. Why, Mr. Smith, we never knew you were a victim of amnesia . . . The band is on parade to advertise our very successful Student Body Carnival; in the rain, too, if you notice. I bet they got their feet wet . . . Next vou see Ira Hume impersonating Friar Tuck—a Twentieth Century model. What's the matter Ira, have you got the itch? That's Mary Helen Lauterio in the background looking for Bob . . . Isn't that a very picturesque landscape of the south lawn? It was a prize winner in our late snaps contest . . . That is Joe Wadlington stealing Land o' Gold butter. Ain't your mama told you it ain't nice to steal, especially butter, 'cause it melts . . . Tommy Enloe is displaying an ear-to-ear grin. Maybe he's responsible for those mud pies on Betty Byerly's face . . . Flash!! The first bird'seye view of Chico High to be published. I hope, I hope, I hope . . . Maxine Hartt, is it nice to make love in public? By the way, her little friend is Hector, the Caduceus mascot. Cute, isn't he? Maxine thinks so. Don't you? . . . In the bottom left corner are two of the chess maniacs, John McDonough and Arlie Bedford, in deep meditation. Wonder whose move it is. Or do they move in chess. I'm sure I don't know. I guess I will have to join the Chess Club to find out. It's a nice day outside, too. . . . And last, the gay portals of the front entrance about the time most of you are waiting in line in the dean's office for a tardy slip . . . That's all, folks. This winds up the snap section of the 1938 Caduceus. Hope you enjoyed it . . .
